3. **Items to be discussed:**

a) Review of revised sections of Water/Sewer/Solid Waste Bylaw

Council reviewed and discussed the proposed changes. Council wanted it clearly stated that they will have authority of who is hired to do any water/sewer work for residents if VOM is financing the work (ie. putting the amount owing on an individual's property taxes over a period of up to 5 years). All materials and work must be up to Village of Mayo standards, inspected by VOM staff and approved by them. Old services are not required to be removed, but any old service lines remaining in the ground must be capped. Old and new services also must be shown on as-builts. Council is asking the Administration to make additional changes to the bylaw and to call another special meeting for November 3, 2015 at 1 pm to review the additional changes requested.

b) First and Second Reading of revised Water/Sewer/Solid Waste Bylaw - Tabled

The revised by-law, including requested changes, will be reviewed at the next special meeting on November 3rd. If Council approves of the changes, they are prepared to proceed to 1st and 2nd reading of the bylaw at that time.

4. **Adjournment**

The meeting was adjourned at 1:29 pm.
