

July 26, 2018

Dear Residents of Mayo,

Regarding the underground construction work on 1<sup>st</sup> and Duncan avenues, Norcope has unfortunately had to temporarily stop work due to supplier issues. We expect work to resume by approximately August 10, 2018. During this time, 1<sup>st</sup> Avenue (east of Laurier St.) will remain open to local traffic only.

Once work resumes, we will continue replacing sanitary main on 1<sup>st</sup> Avenue, working east.

We apologize for the inconvenience this delay has caused the residents of Mayo and the municipality, and we are doing our best to minimize it and get back to work as soon as possible. We thank you for your patience so far.

Should you have any questions or concerns at all, please contact Lawrence Bakelaar, the field engineer from WSP, at 867-334-6467.

Sincerely,

Josh Smith  
Project Superintendent  
Norcope Construction
