

Request for expression of interest

The Village of Mayo Council is looking for a “not for profit group” who may be interested in operating the Mayo Free Store under the direction of the Recycling Centre Coordinator and the Public Works Manager.

The Village of Mayo will continue to maintain the building (which also houses the Recycling Centre), and pay for operational costs (heat, utilities) - interested parties would not have overhead costs.

Interested groups are invited to submit their proposals to the Village of Mayo, Box 160, Mayo, Yukon, Y0B 1M0. The proposals must be in a sealed envelope, and have “proposal for Free Store” written on the outside of the envelope.

Proposals must be dropped off or arrive in the mail by August 31, 2018 at 4 pm.
